Should I sign the insurance release? No.

You could lose out on money that is yours when you sign the insurance release.

Anxiety, stress and feeling overwhelmed are normal after an accident. Making important decision while you're stressed is hard. Unfortunately, that's usually when the insurance adjuster will swoop in and try settle your claim for much less than you may be entitled to receive. The insurance company is only concerned with protecting their interest. But who is protecting you? Attorney, Marcus Hedman has been protecting accident victims for over 15 years. If you've been injured, he will protect you. Don't lose out on money you may be entitled to receive. **Call 281-205-8180** now to begin protecting your injury claim.

What are my chances of getting compensation?

We have over a 95% success rate on the cases we handle. There is no substitute for having an experienced personal injury lawyer fighting for you, protecting your interest and making sure you get everything you deserve. I handle everything from beginning to end so you can focus on getting better. I handle the stressful part, so you don't have to.
